

DC Tutoring & Mentoring INITIATIVE

More than 2 out of 3 DC students – 60,000 kids – are reading below grade level. More have other academic or non-academic needs. A mentor or tutor can make all the difference. We are all “too busy” but carving out **two hours** a week could change a kid’s life.

Our **40 partner tutoring & mentoring organizations and schools** need help mornings, afternoons and evenings almost every day of the week. You tell us when and where you are available and we’ll match you to an organization. **Transform the future for a young person, our community, & our world!**

Learn more or sign up at <http://dcTutorMentor.org>. Tutor, mentor, or help us with outreach & build your civic leadership skills.

We must work passionately and indefatigably to bridge the gulf between our scientific progress and our moral progress. – Martin Luther King, Jr.
