

# BE ON THE FRONTLINE OF TRANSFORMING EDUCATION

## APPLY FOR THE CIVIC LEADERSHIP CHALLENGE

60,000 children in the District of Columbia need extra support. You can help them get it while boosting your personal and professional growth, while creating a better world for all of us.

# CIVIC LEADERSHIP CHALLENGE

Last year, we recruited 2700 volunteer tutors and mentors to help underprivileged DC kids flourish. Help us double that number in 2023.

We're looking for practical idealists: people who don't give in to hopelessness. We encourage agency grounded in empathy. We strive for a better world.

Together, we can transform the civic culture of DC and beyond.
